YOUR NEXT DIGITAL CHAPTER STARTS HERE.

MUTHURAJAN S / INDEPENDENT WEB DEVELOPER

Muthurajan S

Websites that make a stronger first impression.

I design and develop websites around your business,
your customers, and the next step you want them to take.

WHAT I CAN BUILD

Business websites

Clear services, responsive pages, and contact links.

E-commerce

Product browsing, shopping bags, and checkout flows.

Custom web apps

Listings, accounts, dashboards, and tailored workflows.

Advanced integrations

Payment gateways, WhatsApp, notifications, and APIs.

SMALL BUSINESS WEBSITES

From ₹1,999

Introductory pricing · Limited availability

Business sites from ₹5,999 · E-commerce from ₹12,999

Scope and price agreed before work starts.

Domain, hosting, provider fees and maintenance quoted separately.

SELECTED WORK

Real projects. Clear context.

MAD Corner Products

E-commerce · Testing only · madcornerproducts.com

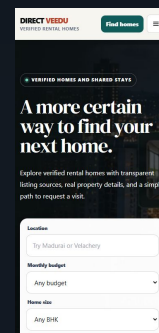

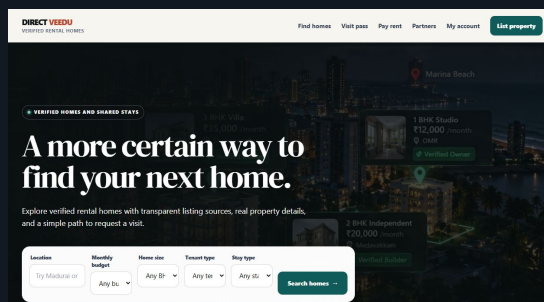

Product browsing, shopping bag, and checkout interface.

Payment gateway not integrated; site is for testing.

Direct Veedu

Property platform · Project preview

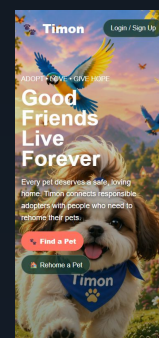

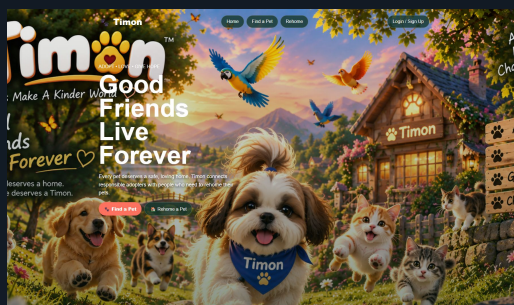

Property discovery, rental listings, and owner contact.

Responsive layout with PG and hostel listing types.

Timon

Pet adoption · UI prototype

Pet discovery, adoption requests, and rehoming journey.

An interface prototype; not a live adoption service.

Discuss → Scope → Design & build → Review on desktop and mobile

Choose your starting point.

Introductory starting prices · Final quote follows an agreed scope.
Build only what your business needs, then expand when ready.

Starter website	From ₹1,999
